8. Kundizzjonijiet

i. Id-dettalji tekniċi mniżżla f'din l-applikazzjoni ser jintużaw minn Enemalta plc biex issir il-konnessjoni. L-entità li qed tapplika u r-rappreżentanti u l-persuni tekniċi awtorizzati ffirmati hawn taħt, qed jassumu responsabilità sħiħa ta' kull danni jew konsegwenzi kkawżati minn tagħrif żbaljat jew mhux komplut mogħti f'din l-applikazzjoni u fid-dokumenti u l-pjanti mogħtija magħha.

ii. Il-lampi msemmija f'din l-applikazzjoni diġa twaħħlu/ġew imressqa u jinsabu lesti biex isir l-ikkonnettjar.

iii. L-*electrician* jew inġinier hawn taħt iffirmati, bħala l-persuni responsabli għad-disinn, l-ispezzjoni u l-ittestjar tal-installazzjoni elettrika fis-sit indikat f'Sezzjoni A 4 ta' din l-applikazzjoni u kif muri fid-disinji skematiċi mogħtija ma' din l-applikazzjoni, jikkonfermaw li eżerċitaw abbiltà u attenzjoni meta għamlu d-disinn meħtieġ skont *standards* rikonoxxuti, kif ukoll l-ispezzjoni u l-ittestjar meħtieġa. Jiċċertifikaw li x-xogħol li għalih huma responsabbli ġie ddisinjat, spezzjonat u ttestjat skont l-aħħar provvedimenti tar-Regolamenti fuq il-Provvistà tal-Elettriku, ir-Regolamenti dwar l-Installazzjonijiet Elettriċi u l-iStreet Lighting Devolution Manual maħruġ minn Enemalta plc, u li r-riżultati huma sodisfaċenti.

iv. L-entità li qed tapplika għall-ikkonnettjar taqbel u taċċetta li hi unikament responsabli biex tissottometti kull formola ta' applikazzjoni meħtieġa mal-awtoritajiet kompetenti għal kull servizz u/jew permess meħtieġ għal din il-konnessjoni, u li tħallas it-taxxi u/jew il-ħlasijiet kollha mitluba minn kull liġi, regolament jew statut applikabbli u infurzati fil-preżent jew fil-futur.

v. Enemalta plc żżomm id-dritt li ttemm dan il-ftehim u tneħħi l-konnessjoni b'effett immedjat, mingħajr il-ħtieġa ta' proċeduri ġudizzjarji u mingħajr ebda obbligu jew responsabiltà għall-kumpens jew danni ta' kull tip jew natura (kemm diretti kif ukoll indiretti) lill-applikant, jekk xi awtorità tordna t-tneħħija tal-istruttura jew il-konnessjoni nvoluta.

vi. L-entità li qed tapplika għall-ikkonnettjar qed tassumi r-responsabiltà li l-post fejn jinsabu l-lampi kollha msemmija f'din l-applikazzjoni hu, u ser jibqa', miftuħ għall-pubbliku kuljum, f'kull ħin.

vii. Jekk l-ikkonnettjar tal-lampa jkun jeħtieġ permessi ta' mmaniġġjar tat-traffiku, għeluq ta' toroq, riservar ta' spazji ta' parkeġġ, użu ta' gwardjani lokali jew xi ħtiġijiet oħra simili, dawn għandhom jitħallsu u jitħejjew mill-entità li qed tapplika għall-ikkonnettjar, fid-data indikata minn Enemalta plc.

viii. Applikazzjonijiet għal servizz fejn it-tul tar-rotta tal-konnessjoni, għaddejja minn toroq pubbliċi, bejn id-*demarcation box* tal-lampi u l-eqreb sors adekwat ta' provvistà tal-elettriku hi aktar minn 30 metru, jew fejn il-konnessjoni teħtieġ li jsiru xi wajers taħt l-art, huma suġġetti għal stima individwali. Din l-istima tingħata lill-entità li qed tapplika u l-konnessjoni ssir biss wara li jitħallsu l-ispejjeż addizzjonali meħtieġa.

ix. Fl-eventwalità ta' xi differenzi bejn il-verżjoni bl-Ingliż u l-verżjoni bil-Malti ta' din il-formola u dawn il-kundizzjonijiet, tiġi meqjusa l-verżjoni bl-Ingliż.

Conditions

i. The technical details listed in this application will be used by Enemalta plc to provide the connection. The entity applying for this service, the undersigned representative and the undersigned authorised competent person are assuming full responsibility for any damages or consequences caused by incorrect or incomplete information presented in this document as well as in the related documents, plans and diagrams attached to it.

ii. The lamps indicated in this application form have already been installed/shifted and are ready to be connected.

iii. The undersigned electrician or engineer, being the competent persons responsible for the design, inspection and testing of the electrical installation at the site indicated in Section A 4 of this application, confirm that they have exercised reasonable skill and care whilst carrying out the required design according to recognised lighting standards, as well as the required inspection and testing. They certify that the works that they are responsible for were designed, inspected and tested in accordance with the provisions of the latest version of the Electricity Supply Regulations, the Electrical Installation Regulations and Enemalta plc's Street Lighting Devolution Manual, and that the results are satisfactory.

iv. The entity applying for this connection agrees and acknowledges that it shall be solely responsible to file all necessary application forms with the appropriate authorities for any and all services and/or permits and to pay all the necessary taxes and/or charges required by any law, regulation, or statute now, or in future, in force.

v. Enemalta plc reserves the right to terminate this agreement and remove the electricity supply without need of judicial recourse and without any obligation or liability for compensation or damages of any type or nature (whether direct or indirect) in favour of the applicant and with immediate effect in the event that any authority orders the removal of the structure or connection in question.

vi. The entity applying for this connection is assuming full responsibility to ensure that the site of all the lighting indicated in this application is, and will remain, publicly-accessible every day, at all times.

vii. The entity applying for this connection shall prepare and pay for any permits for traffic management, road closures, reserved parking spaces, local warden services and other related requirements that may be needed to connect the indicated street lighting at the date and time specified by Enemalta plc.

viii. Connections that require over 30 metres of overhead lines between the demarcation box and the nearest suitable source of supply via public roads, or that involve underground cables, are subject to a specific quote. This estimate will be presented to the entity by Enemalta plc, and connection will only take place when the indicated additional expenses are paid.

ix. In the event of any discrepancies between the English and Maltese texts of this application form and of these conditions, the English text shall prevail.

9. Dikjarazzjoni / Declaration

Aħna hawn taħt iffirmati nikkonfermaw li qed naqblu u nżommu bis-sħiħ u mingħajr riservi mal-kundizzjonijiet kollha ta' din l-applikazzjoni u ma' kull regolamenti oħra relatati, f'isem l-entità li qed tapplika għall-ikkonnettjar.

We, the undersigned, confirm that we agree to and adhere to all conditions indicated in this application form, and to all other applicable conditions, without reservations, on behalf of the entity applying for the indicated connection.
